Subject: MOA for Wyoming's Underground Storage Tank State Program Approval
Attachments: Draft Wyoming MOA 10022018 (004).docx

Hi Doug,

My program and ORC have been working with Wyoming to reach agreement on an Memorandum of Agreement (MOA) for their Underground Storage Tank (UST) State Program Approval. **Deliberative Process / Ex. 5** would like to obtain your review and comment. A copy of the MOA is attached.

Deliberative Process / Ex. 5

We have a meeting in Wyoming next Tuesday, October 9. If we can get your comments before Tuesday, then we could secure state signature next week and then route the MOA to you for final review & signature. We are striving to meet an October 13, 2018 deadline from the Office of Underground Storage Tanks.

Please let me know if you'd like us to schedule a briefing or if you have any questions on this request.

Thanks very much!
Nancy
